YOUR SPACE: INFINITE POSSIBILITIES

## GARDEN HOUSE APARTMENTS

**CLIENT:** Residential Land

**LOCATION:** Kensington

**YEAR:** 2016

### THE PROJECT

Grade II listed Garden House overlooks the beautifully tranquil Kensington Gardens Square. Central London property specialists Residential Land own this unique collection of one, two and three bedroom apartments which all benefit from access to the exclusive classic gardens.

## THE FURNITURE

Residential Land chose Nova Interiors' bespoke service to create elegant bedrooms with impeccable character. Bespoke headboards, bedside tables, dressing tables, upholstered stools and beds with internal storage were supplied. Nova Interiors' Welcombe chair features a curved back and sweeping arm, perfect for Garden House apartment's dining area. In the lounge areas resort lounge chairs offered an elegant seating solution alongside bespoke corner sofas, coffee tables and side tables.

## WHAT THE CLIENT SAID

"Nova's service has been very prompt and efficient and the turnaround has enabled us to respond to our market needs.

Jonathan and Ian are very professional and always happy to advise on items which are not always straight forward. We have completed many jobs with Nova and have never been disappointed."

Katy Holzapfel / Designer / Residential Land
