PROOVE

CLIENT: Proove Ltd

DESIGNER: Proove & Interiors by Sally Flude

LOCATION: Didsbury and Centertainment Sheffield

YEAR: 2018

THE PROJECT

Proove is the rapidly growing vision and passion of “two guys that love pizza”. They aim to share their passion for Napoli styled wood fired pizza through city styled restaurants and pop up venues. Each venue differs in design, feel and atmosphere but consistently delivers a delicious pizza.

THE FURNITURE

Designer Sally Flude collaborated with Nova Interiors to create a city styled environment for diners to enjoy their Napoli-style pizzas. Sally combined Volt chairs and high stools from Nova's furniture collection. She utilised their bespoke capabilities by designing custom tables and poseurs made from powder coated steel with a selection of solid timber and laminated plywood tops.

WHAT THE CLIENT SAID

“We have a great working relationship with Nova. They always interpret the brief well, offering appropriate styles, and creative solutions which help us bring to life each individual interior scheme.”
