THE PROJECT

Cosmopolitan group Soho House & Co have launched their first Mollie's Motel & Diner, an American-styled motel located in Buckland, Oxfordshire. The Motel sets a precedent amongst British roadside hospitality offering affordable, yet stylish accommodation and retro American dining. With plans for another 10 venues to be opened, Mollie's Motel & Diner may just reinvent the British motorway experience.

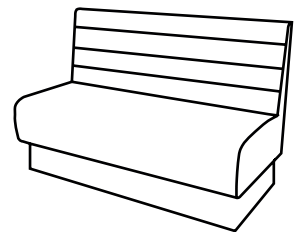

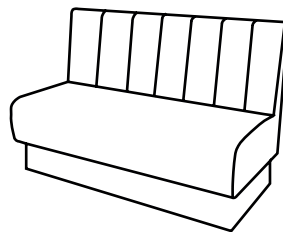

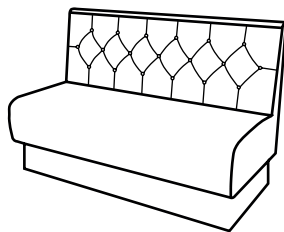

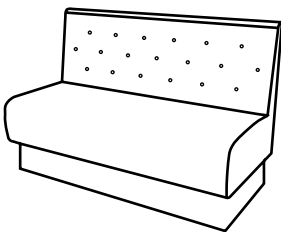

AMERICAN-STYLED

Soho House & Co worked collectively with Nova Interiors to bring their 50's American-styled concept to life. To achieve the desired look, Soho House & Co opted for bespoke banquette seating, dining tables, bar stools and dining chairs all from Nova Interior's bespoke production. The teal banquette seating with metal trim and walnut frame are without a doubt, the focal point of the room.
